

Sacramento State String Project Registration – Fall 2022

Currently we plan to have a new-beginner’s class, intermediate/year 2 class, and an orchestra class/year 3+. Your child will be placed where we feel their growth can be maximized. Of course, your input as parents is important, so please let us know your concerns and questions. Because our classes are larger groups, we ask that only children in the fourth grade and up participate.

Parent information meeting is at 6:00 PM, Monday September 19th, Capistrano Hall room 223 on Sac State’s campus. Children do not need to attend.

String Project will begin for **children** on Wednesday September 21st at 4:45 PM. Capistrano Hall room 209, 223 or 227. Once per week one-on-one lessons begin Monday, September 26. You’ll be notified of your time and day at the 9/21 class or at the parent meeting.

Our final concert is Monday December 12th at 7:00.

Please fill out the information below. Please print clearly and return it with the total from the fees chart below. Check should be made out to “CSUS String Project.”

A \$50 administrative fee will be withheld if registration is cancelled after 9/14/22. Fees are non-refundable after the 10/3/22 class and cannot be pro-rated.
